Kaitlyn Vasilko independent research project on art therapy rooms

Hi PNW Students!

My name is Kaitlyn Vasilko, and I am a PNW honors student majoring in Behavioral Sciences. I am working with Dr. David Nalbone to conduct a study of student mental health and the need for mental health/art rooms on campuses, and we need your help.

Please take this short survey (link below) that will take about 10 minutes to complete. Your answers will give our research team the information we need to help provide the resources necessary for the mental health of all PNW students!

In order to participate, you must be at least 18 years old.

Thank you so much for your time and consideration, and if you have any questions, please don't hesitate to ask!
